2019 New Mexico TechFest

an ARRL-sanctioned Operating Specialty event

sponsored by

Rocky Mountain Ham Radio, New Mexico

Saturday, February 23, 2019
New Mexico Veterans' Memorial Event Center
1100 Louisiana Blvd. SE, Albuquerque, NM 87108

Join fellow amateur radio operators from around the Land of Enchantment for a day of quality presentations, demonstrations, and instruction provided by some of New Mexico's most experienced technical hams on a variety of emerging and relevant technical topics within amateur radio today. The New Mexico TechFest is designed to provide a unique opportunity for all hams interested in the technical aspects of our hobby to advance and expand their technical knowledge and to facilitate technical discussion, collaboration, and ideas with one another.

EVENT OVERVIEW

- **Technical Presentations:** Up to six presentations on emerging and relevant amateur radio technical topics, techniques, or applications
- **Technical Demonstrations:** Tables will be provided for attendees to set up and conduct informal technology and project demonstrations between presentations, during lunch, and at the conclusion of the event
- **Prizes:** Ham-specific and presentation-related prizes will be drawn throughout the TechFest event
- **Refreshments and Snacks:** Coffee, water, and light snacks available
- **Event Schedule and Presentation Lineup:** See TechFest website
- **Registration:** Admission $10; online pre-registration is required to attend
- **Catered Lunch:** For convenience, for purchase at time of registration

Mark your calendars, spread the word, and join us for TechFest 2019!

CALL FOR PRESENTATIONS, POSTERBOARDS, AND DEMOS

The New Mexico TechFest seeks high quality presentations, posterboards, and demonstrations on emerging and relevant amateur radio technical topics, techniques, and applications. Hams interested in being a TechFest presenter should submit a summary/abstract of their proposed presentation/posterboard/demo by *January 1* for consideration. See TechFest website for submission details.
